

THINK GLOBALLY, ACT LOCALLY

RESIDUES AND CONSUMER SAFETY

knoell experts in residues and consumer safety can help you navigate the global regulatory framework to achieve your goals.

Specialists author residue reports and prepare dossiers

- ▶ Reports written and/or formatted to meet regulatory and client specifications
- ▶ Experience with unique reporting like pollen and nectar residues e.g. metabolism in fish, stereo-chemistry related analyses
- ▶ Creation of robust OECD study summaries, residue trial summary spreadsheets
- ▶ Preparation of residue dossiers, including IUCLID format for active substance and MRL dossiers
- ▶ Preparation of tolerance petitions and JMPR dossiers
- ▶ Authority contact, pre-submission meeting preparation, post submission support

Study Directors/Monitors support all study types and phases

- ▶ Crop and livestock residues (storage stability, rotational crop, dislodgeable foliar residues, processing), efficacy, seed treatment, pollen and nectar studies
- ▶ Study program design
- ▶ CRO selection, cost and timeline negotiations
- ▶ Protocol/study plan development and/or review
- ▶ Management and monitoring of studies
- ▶ Draft study report review and finalization

Residue Scientists analyze data

- ▶ Literature searches and reviews
- ▶ Data gap analysis, data compilation/summarization
- ▶ Position papers, other support for authority requests
- ▶ Evaluation of data and strategic consulting

Consumer Safety Experts evaluate exposure and risk

- ▶ Residue definition expertise
- ▶ Global MRL support, including in-country, Codex, import tolerances, and MRL setting in honey
- ▶ Dietary risk assessments (DEEM, PRIMo, CARES-NG)
- ▶ Cumulative risk assessments
- ▶ Trainings offered on dietary safety and recent guidance

knoell: your go-to partner for registration – worldwide

Founded in 1996, knoell is a leading provider of global regulatory services for animal health, biocides, chemicals, cosmetics, crop nutrition, crop protection, food and food contact materials, and medical devices.

Think globally, act locally. Our strength is to be where it matters: with sites in Europe, Asia, and North America and an extensive network of cooperation partners, we combine global know-how with local experience and intercultural knowledge. Our dedicated teams support you in all phases of registration, from planning right through to the market launch of your product and beyond.
