THINK GLOBALLY, ACT LOCALLY

TECHNICAL WRITING FOR ANIMAL HEALTH & VETERINARY PRODUCTS

Accurate, consistent documentation is an essential element of animal health product development and regulatory compliance. knoell USA's technical writers support your submission and reporting needs, so you can focus on your business.

Regulated animal health and veterinary products

Is your business subject to reporting requirements under the Food and Drug Administration Center for Veterinary Medicine (FDA-CVM) or the United States Department of Agriculture Center for Veterinary Biologics (USDA-CVB)?

Let knoell support your document writing and submission needs, and free up your technical experts to focus on scientific content.

Technical writers offer unique skills

- ▶ Strong attention to detail, ensuring accuracy and consistency
- ▶ Broad scientific background, allowing proficient handling of documents and data
- ▶ Awareness of how individual documents align with overall business needs and submission success
- ▶ Expert knowledge of MS Word, MS Excel, MS PowerPoint, and Adobe Acrobat, facilitating efficient workflow

Technical writers provide reliable quality control

- ▶ Confirming accuracy of data against source material
- ▶ Formatting and copyediting documents for internal and collective consistency
- ▶ Optimizing clarity and readability, particularly for translated documents
- ▶ Formatting issued reports to address regulatory submission requirements

Transform study data into submission-ready reports

- ▶ Familiarity with key study types, including:
 - ▶ FDA-CVM
 - ▷ Target animal health safety
 - ▷ Human food safety effectiveness
 - ▷ Bioequivalence
 - ▶ USDA-CVB
 - ▷ Field safety
 - ▷ Efficacy
 - ▷ Potency assay validation
- ▶ Proficiency with analytical reports, including ILV, method validation, COA, and residue, backed by laboratory experience
- ▶ Track record of effective collaboration with study directors, from protocol preparation to report finalization

knoell as your go-to partner for registration – worldwide

Founded in 1996, knoell is a leading provider of global regulatory services. Our strength is to be where it matters: with sites in Europe, Asia and North America and an extensive network of co-operation partners, we combine global know-how with local experience and intercultural competence.
